

*"We don't embrace the future we create it" and feel privileged to have recruited Ms. Swanson to our team.*

W.Morgan – Principal

Ms. Adrienne Swanson joins W. Morgan Communications with over 20 years of broadcast media sales and marketing experience. She has worked for NBC, ABC, PBS, NPR and major market stations. Her expertise is the launch of emerging products to the market. Ms. Swanson is ready to show you how our HD V3-mail innovation will remove the clutter associated with traditional marketing mediums, catapulting your revenues or expectations to new heights at a fraction of the cost with increased effectiveness and market saturation.

Adrienne is a graduate of Cedar Crest College in Allentown, Pennsylvania with a degree in Sociology and Studio Art. She is a lifelong resident of Washington, DC.

She has a proven track record of first seeking to understand her client's marketing needs and then exceeding their expectations. On multiple occasions she has doubled revenues once the task or respective territory fell under her jurisdiction.

We know that Ms. Swanson will continue her stellar record of delighting customers with our technology, our database of over 288 million people and our multi-video transmission competencies.
